CHARLES WOOD.

Admiralty, 30th September, 1835.

By Order of the Admiralty, after a reason-
able lapse of time for the promulgation of the
above Notice, no Declaration is to be received
which shall not have the Officer's Residence
stated thereon, as above directed.

These Declarations for Half-Pay can only be
made before the under-mentioned Officers,
named in the Act of 1st George I. cap. 23, sec.
9 and 10.

the Admiralty,

alling and Medical Establishments, or
A Justice of the Peace or Magistrate.

Officers residing abroad must make their De-
clarations before one of his Majesty's Ministers,
Secretary of Embassy or Legation, or Consul;
or where there shall be no such Minister, &c.,
before some Magistrate, or other Person com-
petent to attest Declarations in such Places;
and the Address must be given at the foot of
the Signature to the Declaration.

ordinary in Chancery cannot be admitted:
and the Officers should be careful, that any
Justice of the Peace or Magistrate of a Town or
Corporation, attesting the Declaration, should
sign himself as such.

CHARLES WOOD.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which
have sometimes occurred in the payment of Naval
Half-pay by the irregular transmission of Decla-
rations; the Commissioned and Warrant Officers
of his Majesty's Navy, residing within the
United Kingdom, and receiving their Half-pay
through Agents, are hereby desired to transmit
their Declarations to such Agents within Ten
Days at most after the expiration of each Quar-
ter, so as to enable the Agent to receive the
amount due on the Days regularly appointed
for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1838.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commis-
sioners of the Admiralty hereby give notice,
that in future the rotation in which Half-Pay
will be paid to Officers will be as follows:—

1st Class.—Purser.

Masters.

Surgeons.

2d Class.—Lieutenants at 5s. and under.

3d Class.—Lieutenants at 6s. and 7s.; and Chaplains.

4th Class.—Admirals.

Captains.

Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Wages-Office, at the Admiralty Office, Somerset-House, or forwarded to the Secretary of the Admiralty, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Arrangements are in progress which it is expected will admit of the payment of Half-Pay always commencing on the tenth day after the end of each quarter, instead of at the uncertain and more distant periods heretofore customary—of which, however, due notice will be given when the next quarter's Half-Pay is advertised.

By command of their Lordships,

JOHN BARROW.

CHAPLAINS.

Regulations under His Majesty's Order in Council of 31 July, 1835, for the admission of Chaplains into His Majesty's Naval Service:—

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, or who shall not have been graduated at the University of Oxford, Cambridge, or Trinity College, Dublin, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials from two beneficed clergymen of his good moral and religious conduct, or who shall not have been examined by some competent person to be appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to His Majesty's service the situation of Chaplain. CHARLES WOOD.

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years service at sea; that I have not between the day of _____ and the day of _____ been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS by Our Order in Council of this day's date, We were graciously pleased, for the reasons therein contained, to annul Our Royal Proclamation of the twenty-ninth of June one thousand eight hundred and fifteen, for granting the distribution of the net proceeds of prizes captured from the enemy, and also Our Order in Council of the thirtieth of June one thousand eight hundred and twenty-seven, for the distribution of the net proceeds of captures and seizures made by our ships and vessels of war, under the several Acts passed for the prevention of smuggling, and other Acts relating to Our Revenue of Customs and to Trade and Navigation, for the abolition of the slave trade, and for the capture and destruction of piratical vessels, and of the rewards which have been conferred for the same; and it is expedient that provision should be made by Us for the future distribution of such proceeds and rewards, We do now make known to all our loving subjects, and all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our will and pleasure is, and We do hereby direct, that the distribution of such proceeds and rewards shall be made in the following manner, viz.:—

That the flag-officer or officers shall have one-sixteenth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures as aforesaid, made by the ships and vessels under his command, and of the rewards conferred for the same, save and except as hereinafter provided and directed.

That the captain or captains, or commanders of any of our ships or sloops-of-war, or the officer or officers respectively commanding such ships or sloops-of-war, who shall have been actually on board at the time of any such capture or seizure, shall have one-sixth part of the remainder, and where there is no flag-officer one-sixth part of the whole.

That the remainder shall be distributed into shares according to the annexed scale.

Tenth class.—To boys of the second class—half a share.

When land forces are embarked to serve as marines—they are to share according to their respective ranks as marines.

Secondly.—In the case of prizes captured from the enemy, and all other captures and seizures as aforesaid, made by the officers and men of cutters, schooners, brigs, and other armed vessels of war, commanded by lieutenants, when not in company with other ships commanded by captains or commanders, the said lieutenants to share as captains, and where more small vessels than one shall be together, the lieutenants shall have equal shares of the one-sixth part.

But a lieutenant or lieutenants commanding small vessels, when in company with captains or commanders, shall share only as commanders doing duty as first lieutenants, or first lieutenants of first to fifth rates inclusive, namely,—they shall have fifty-five shares.

Thirdly.—In all cases in which supernumeraries, whether officers or men, shall be borne by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, or by other proper authority, they shall share with the respective ranks in which they may be acting: Provided always, and We do hereby direct, that no flag-officer or other person not actually present at the capture or destruction of any piratical vessel, shall be entitled to share in any distribution of the proceeds or bounty in respect of the crews of such piratical ships, vessels, and boats; and also that no flag-officer or other person who shall not have been actually on board of any of Our ships, or ships-of-war, or at the actual taking, sinking, burning, or otherwise destroying any ship or ships-of-war, or privateers, belonging to the enemy, shall be entitled to share in the distribution of any head or bounty-money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel.

Fourthly.—The following regulations are to be established with respect to the share before mentioned, to be given to the flag-officer or officers under whose command the capturing ship may be.

That a captain, commander, or commanding officer of a ship or vessel, shall be deemed to be under the command of a flag when he shall have actually received some order from, or be acting in execution of some order issued by a flag-officer; and in the event of his being directed to join a flag-officer on any station, he shall be deemed to be under the command of such flag-officer from the time when he arrives within the limits of the station, and shall be considered to continue under the command of

the flag-officer of such station, until he shall have received some order directly from, or be acting in execution of some order issued by, some other flag-officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being.

That a flag-officer, commander-in-chief, where there is but one flag-officer upon service, shall have to his own use the one-sixteenth part of the proceeds of all prizes captured from the enemy, and of all other captures and seizures as aforesaid, made by ships and vessels under his command, and of the rewards conferred for the same, save and except as hereinbefore provided and directed.

That when ships or vessels under the command of several flags which belong to separate stations, shall happen to be joint captors, each flag-officer under whose orders the ships or vessels are, shall receive such proportion of the flag share to which he shall be entitled according to the number of ships belonging to each respectively.

Captains or commanders, or commanding-officers of such ships or vessels as shall be under orders from the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That if a flag-officer be sent to command in the ports of the United Kingdom, he shall have no share in the prizes captured from the enemy, nor in the other captures or seizures as aforesaid, made by ships or vessels which have sailed, or shall sail, from that port by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, nor in the rewards conferred for the same.

That when more flag-officers than one shall be serving together, the one-sixteenth part of the net proceeds of prizes captured from the enemy, and of the other captures or seizures as aforesaid, made by any ships or vessels of the fleet or squadron, and of the rewards conferred for the same, shall be divided in the following proportions, namely:—

If there be but two flag-officers, the chief shall have two-third parts of the said one-sixteenth, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one-half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

And We do hereby further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And We do direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be final and have the same force and effect as if specially provided for in this Our Royal Proclamation.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

Notice is hereby given to the Medical Officers of the Royal Navy, that Sir Gilbert Blane, Bart., first Physician to his Majesty, and formerly Member of the Board for Sick and Wounded Seamen, with the concurrence and approbation of the Lords Commissioners of the Admiralty, has, for the encouragement of Naval

Medical Sciences, and the excitement of an emulation that may conduce to the interests of an important branch of the public service, established a Fund in perpetuity, for the purpose of providing the means of conferring a gold medal, once in every two years, on such two Medical Officers, whether, *Surgeons, or Assistant-Surgeons acting as Surgeons*, as shall produce the most approved journals of their practice, whilst actually serving in King's Ships.

The selection of the journals will, in the first instance, be made by the Medical Commissioners of the Victualling Board, on the 15th of August, 1831, and will consist of not more than ten, nor less than five, of those journals delivered into office between the 12th of July, 1827, and the 12th of July, 1831; and the subsequent selections will be made from those delivered within the period of every two succeeding years; and the adjudication of the medals will, during the life of Sir Gilbert Blane, be made by him, and will subsequently be vested in the Senior Medical Commissioner, the President of the College of Physicians, and the President of the College of Surgeons, London.

GREENWICH OUT PENSIONS.

REGULATIONS FOR GRANTING OUT-PENSIONS FROM GREENWICH HOSPITAL, TO THE WARRANT AND PETTY OFFICERS HEREIN MENTIONED, AND TO SEAMEN AND ROYAL MARINES, ESTABLISHED BY HIS MAJESTY'S ORDER IN COUNCIL OF 24 AUGUST, 1831.

Article 1.—Every Second Master, Assistant-Surgeon (when not entitled to Half-Pay), Gunner, Boatswain, and Carpenter (when not entitled to Superannuation), Mate, Midshipman, Master's-Assistant, Schoolmaster, Clerk, and Volunteer of the First or Second Class, who shall be discharged from His Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence, *per diem*, according to the bodily injury sustained by the party.

Art. 2.—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landsman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from His Majesty's Service, for wounds or hurts received in Action, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, according to the bodily injury sustained, and with reference to the length of Service and rating of the party.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings *per diem*: but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence *per diem*: if able to contribute in a small degree to his livelihood,

from Ninepence to One Shilling *per diem*: and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence *per diem*.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances (if any are stated) relating to his conduct at the time he was wounded.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence *per diem*, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than three years at any time.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for sickness or debility contracted in the Service, or for wounds or hurts received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence *per diem*; but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of disability contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence *per diem*; or more than Sixpence, according to the bodily injury sustained by the party.

And in cases under 14 Years service, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension; and in extreme cases of injury or debility, resulting from serving in bad climates, or from severe accidents, the temporary Pension may be increased to Ninepence *per diem*, and renewed from time to time for specified periods, so long as the individual shall continue in a state to demand such special consideration.

Art. 6.—In any of the cases in Articles 3, 4, and 5, if any Man shall become totally blind, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence *per diem*, in addition to the amount specified in the said Articles.

Art. 7.—An Ordinary Seaman shall receive three-fourths, a Landsman two-thirds, and a Boy one-half of the Pensions or Allowances

hereby assigned to an Able Seaman. Private Marines to be considered as Able Seamen.

War, be appointed for the assembling of the Pensioners by the Lords Commissioners of the Admiralty, or by neglecting or refusing to serve his Majesty in such manner as to the said Lords Commissioners may seem proper, except when such neglect or omission to appear, or such neglect or refusal to serve, shall be accounted for by reasonable excuse, to be admitted by the said Lords Commissioners.

As a further encouragement to good Men to continue in the Service, and to behave with propriety, His Majesty has been pleased to command, that at the expiration of every three years any of His Majesty's Ships shall be in Commission, the Captain or Commander of such Ship may send to the Admiralty the name or names of any Petty-Officer or Seaman, or Non-Commissioned Officer or Private of Marines, (not exceeding in number one for every hundred of the Crew,) who may be on board such Ship, having served *above twenty-one years*, who shall have behaved invariably well in such Ship, and be in possession of Certificates of good conduct throughout his former service, and be in the Captain's opinion in every respect deserving to be so rewarded; when the Person or Persons so reported by the Captain or Commander shall be paid a Gratuity, in addition to all other allowances, of Fifteen Pounds if a 1st Class Petty-Officer, or Sergeant of Marines, of Seven Pounds if a 2nd Class Petty-Officer, or Corporal of Marines, and of Five Pounds if an Able Seaman, or Private of Marines; but to

entitle the 1st Class Petty-Officer, or Sergeant of Marines, to the Fifteen Pounds, he must have served as such Ten years, and to entitle the 2nd Class Petty-Officer, or Corporal of Marines, to the Seven Pounds, he must have served Seven years as such, otherwise they can only be paid as Able Seamen, or Privates of Marines. And all men receiving the said Gratuity will be afterwards entitled to wear a Silver Medal the size of a half-crown, at the third button-hole of their jackets, having on one side of it the words "For Long Service and Good Conduct," and on the other "an Anchor and Crown."

MEMORANDUM.

By Command of their Lordships,
GEORGE ELLIOT.

REGULATIONS FOR THE ADMISSION OF STUDENTS INTO THE ROYAL NAVAL COLLEGE AT PORTSMOUTH.

The Number of Students in the Royal Naval College is not to exceed One Hundred in time of War, nor Eighty in Peace, of whom one half are to be the Sons of Commissioned Officers of the Navy or Army, and the other half of Civilians.

The Sons of Officers hereafter admitted will be required to pay for Board and Education as follows:—

Of Flag and General Officers	80l.
Captains of the Navy, Colonels, and Lieutenant-Colonels	70l.
Of Commanders, and all below that rank, and Majors	50l.

The Sons of Officers, of whatever rank in either service, who have lost their fathers, 40l. per annum; and the Sons of Officers, of whatever rank, whose fathers have died in actual service, and whose families have been left in pecuniary distress, 20l. per annum.

The Sons of Civilians are to pay the sum of 125l. per annum.

No Candidate shall be eligible for admission to the Naval College, until he has attained the age of 12 years, nor after he has completed that of 18 years.

Every Candidate for admission must, at the

time of his application, transmit to the Secretary of the Admiralty, a Certificate of the day of his birth, and immediately on his attaining the age of 12 years he must also transmit a Certificate of his good moral conduct from the Master or person under whom he was last instructed; or if he has used the sea, from the Captain under him whom he last served. No Candidate will be considered eligible, nor will the order for his admission be given in any case, until both Certificates are lodged at the Admiralty.

Every Candidate for admission will be expected to know perfectly the first four rules of arithmetic, Reduction, and the Rule of Three.

He will be expected also to be able to write English from dictation, and to construct English sentences.

And it is recommended that every Candidate should have in his memory the definitions, axioms, and postulates, in the beginning of Euclid's Elements, by R. SIMSON.

The parents or friends of every Student shall pay in to the Office of the Accountant-General of the Navy in London, the amount of the sum that may be due at every vacation, either before the next succeeding meeting of the College, or within one month after such meeting; in default of which the Student's time of servitude will not be allowed to go on.

Every Student, at the end of two years, shall be discharged into one of His Majesty's ships, not being a guard ship; and the time of residence in the College shall be reckoned as not more than one year's service at sea, or as such portion of one year's service at sea as may be proportioned to the progress, which he shall actually have made in his education—the time so allowed to be certified by the Officers appointed to examine the Students on their leaving College; and the remaining five years necessary to qualify the Student for the commission of Lieutenant to be actually passed at sea, or in a sea-going ship.

Any Student, whose conduct shall be such as to render his expulsion from the College necessary, will never be allowed to enter into His Majesty's naval service.

The parents and guardians of such young gentlemen as may be admitted into the Naval College, are particularly desired to take notice, that, at the expiration of two years, all Students will be discharged from the College, into such of His Majesty's ships and vessels, as the Lords Commissioners of the Admiralty shall think fit; and that when such ships are paid off, those who have attained the rating of Midshipmen will not be re-appointed by their Lordships to other ships, but must apply to Captains or Commanders in Commission for such re-appointment, in order to complete the remainder of their servitude to qualify them for the commission of Lieutenant:—In consequence of which arrangement, no bond will in future be required that such Students shall not be withdrawn or discharged at their own request from the naval service.

Admiralty, 18th December, 1833.

REGULATIONS FOR THE ENTRY AND RATING OF YOUNG GENTLEMEN AND CAPTAINS' CLERKS, ON BOARD HIS MAJESTY'S SHIPS AND VESSELS ON THE PEACE ESTABLISHMENT.

Article 1.—The complements of Mates and Midshipmen in His Majesty's Ships and Vessels of each Rate are to be as follows:—

1st Rates	24
2d Rates	20
3d Rates	16
4th and 5th Rates	10

6th Rates	8
Sloops	8
Cutters, Gun-Brigs, &c.	2
Guard Ships	8

Art. 2.—The Captains and Commanders of His Majesty's Ships and Vessels are to select and enter the established number of *Mates* and *Midshipmen*, on the first commissioning of their respective Ships or Vessels, as heretofore, obtaining the previous approval of the Lords Commissioners of the Admiralty, and observing that in the several Rates, the following numbers, viz.

1st Rates	8
2d Rates	8
3d Rates	5
4th, 5th, and 6th Rates	4
Sloops	1
Cutters, Gun-Brigs, &c.	1
Guard Ships	4

are to be selected from among the *Mates* who have passed both examinations, if serving at home, or for seamanship, if serving abroad, one complete year—or from *College Midshipmen*; such selections to be made by the several Captains and Commanders, and permission for their entry may be applied for to their Lordships in the same manner as with regard to *Mates* or *Midshipmen* forming the other part of the complement; and, in failure of such application, the vacancies will be filled up by their Lordships.

Art. 3.—No person is, on any account, to be borne under the denomination of "Admiralty Midshipman," except by their Lordships' special authority: but, in the event of there being more Admiralty or College Midshipmen unemployed than can be provided for under the regulation in the foregoing article, their Lordships will give them appointments as *Extra Midshipmen* (in no case exceeding two in any Ship), to be borne in lieu of an equal number of Seamen, and to be included in the respective complements, as vacancies may occur.

Art. 4.—The numbers of *Volunteers* of the 1st Class, and of *College Volunteers*, in each Rate, are in future to be as follows: and the former may be appointed by the Captains and Commanders of His Majesty's Ships, on obtaining the approbation of the Lords Commissioners of the Admiralty.

	1st Class.	Coll.
1st and 2d Rates, Sea-going Ships	3	6
3d Rates	2	5
4th and 5th Rates	2	4
6th Rates and Sloops with 115 men	1	8
Guard Ships	8	0
10-Gun Brigs	0	1

Art. 5.—*Volunteers* of the 1st Class, and Young Gentlemen educated at the Royal Naval College, are not to be rated as *Midshipmen* until they shall have completed two years' service at sea.

Art. 6.—In cases where 1st Class and College *Volunteers* who are borne in the complement may have completed *four years' servitude*, including their College time, and where there are no vacancies for rating them as *Midshipmen* in the complements, they may be rated and borne as *Extra Midshipmen* (provided the number shall not exceed two in any ship), until vacancies occur for them in the complement of *Midshipmen*: but their vacancies are not to be filled up in the *Volunteers' Class* so long as they remain *Extra Midshipmen*.

Art. 7.—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the late discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships' information; or, if abroad, to the Commander-

in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorize the entry.

Art. 8.—A Return from every Ship, according to the established form, is to be transmitted quarterly to this Office, through the several Commanders-in-Chief, of the *Mates*, *Midshipmen*, *Admiralty* and *College Midshipmen*, *College* and *First Class Volunteers*, and of *Masters' Assistants*, and *Second Class Volunteers* (if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be paid off, a similar Return is to be immediately made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any *Mate* or *Midshipman* shall have passed his examination for Lieutenant.

Art. 9.—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief: but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief, without reference to their Lordships.

Art. 10.—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board.

By command of their Lordships,

GEORGE ELLIOT.

MEMORANDUM.

Admiralty, 11th Oct. 1834.

It is the direction of my Lords Commissioners of the Admiralty that in each of His Majesty's Ships, commissioned after the date hereof, bearing in their complements one or more *Volunteers* of the First Class, only one *fresh entry* into the Service shall be made: but the remainder shall be selected, where there are more than one, by the respective Captains or Commanding Officers, from Young Gentlemen who have already been in the Service, and submitted for the approbation of their Lordships.

Ships now in commission are not to be allowed any fresh entry of *Volunteers* into the Service.

By command of their Lordships,

JOHN BARROW.

Payable Quarterly.

Admiralty, June 22, 1831.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (*stating the date their last letter of leave bore*) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1832, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

Admiralty, 20th April, 1830.

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,

J. W. CROKER.

Admiralty, 4th January, 1811.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

In pursuance of His Majesty's Order in
Council, Notice is hereby given, that all Officers
of the Royal Navy receiving Half-Pay, are re-
quired to annex to the signature of their
names, on the Quarterly Half-Pay Declaration,

CHARLES WOOD.

Admiralty, 30th September, 1835.

By Order of the Admiralty, after a reason-
able lapse of time for the promulgation of the
above Notice, no Declaration is to be received
which shall not have the Officer's Residence
stated thereon, as above directed.

These Declarations for Half-Pay can only be
made before the under-mentioned Officers,
named in the Act of 1st George I. cap. 25, sec.
9 and 10.

One of the Commissioners or Secretaries of
the Admiralty,

Superintendents of the Dock-yards, Victu-
alling and Medical Establishments, or
A Justice of the Peace or Magistrate.

Officers residing abroad must make their De-
clarations before one of his Majesty's Ministers,
Secretary of Embassy or Legation, or Consul;
or where there shall be no such Minister, &c.,
before some Magistrate, or other Person com-
petent to attest Declarations in such Places;
and the Address must be given at the foot of
the Signature to the Declaration.

N.B. Declaration taken before Masters Extra-
ordinary in Chancery cannot be admitted:
and the Officers should be careful, that any
Justice of the Peace or Magistrate of a Town or
Corporation, attesting the Declaration, should
sign himself as such.

CHARLES WOOD.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which
havesometimes occurred in the payment of Naval
Half-pay by the irregular transmission of Decla-
rations; the Commissioned and Warrant Officers
of his Majesty's Navy, residing within the
United Kingdom, and receiving their Half-pay
through Agents, are hereby desired to transmit
their Declarations to such Agents within Ten
Days at most after the expiration of each Quar-
ter, so as to enable the Agent to receive the
amount due on the Days regularly appointed
for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1838.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commis-
sioners of the Admiralty hereby give notice,
that in future the rotation in which Half-Pay
will be paid to Officers will be as follows:—

1st Class.—Pursers.
Masters.
Surgeons.
2d Class.—Lieutenants at 5s. and under.
3d Class.—Lieutenants at 6s. and 7s.; and
Chaplains.
4th Class.—Admirals.
Captains.
Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Wages-Office, at the Admiralty Office, Somerset-House, or forwarded to the Secretary of the Admiralty, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Arrangements are in progress which it is expected will admit of the payment of Half-Pay always commencing on the tenth day after the end of each quarter, instead of at the uncertain and more distant periods heretofore customary—of which, however, due notice will be given when the next quarter's Half-Pay is advertised.

By command of their Lordships,
JOHN BARROW.

CHAPLAINS.

Regulations under His Majesty's Order in Council of 21 July, 1835, for the admission of Chaplains into His Majesty's Naval Service:—

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, or who shall not have been graduated at the University of Oxford, Cambridge, or Trinity College, Dublin, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials from two benefited clergymen of his good moral and religious conduct, or who shall not have been examined by some competent person to be appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to His Majesty's service the situation of Chaplain.

CHARLES WOOD.

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years service at sea; that I have not between the day of and the day of been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum.

BY THE KING. A PROCLAMATION.

WILLIAM R.

WHEREAS by Our Order in Council of this day's date, We were graciously pleased, for the reasons therein contained, to annul Our Royal Proclamation of the twenty-ninth of June one thousand eight hundred and fifteen, for granting the distribution of the net proceeds of prizes captured from the enemy, and also Our Order in Council of the thirtieth of June one thousand eight hundred and twenty-seven, for the distribution of the net proceeds of captures and seizures made by our ships and vessels of war, under the several Acts passed for the prevention of smuggling, and other Acts relating to Our Revenue of Customs and to Trade and Navigation, for the abolition of the slave trade, and for the capture and destruction of piratical vessels, and of the rewards which have been conferred for the same; and it is expedient that provision should be made by Us for the future distribution of such proceeds and rewards, We do now make known to all our loving subjects, and all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our will and pleasure is, and We do hereby direct, that the distribution of such proceeds and rewards shall be made in the following manner, viz:—

That the flag-officer or officers shall have one-sixteenth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures as aforesaid, made by the ships and vessels under his command, and of the rewards conferred for the same, save and except as hereinafter provided and directed.

That the remainder shall be distributed into shares according to the annexed scale.

Tenth class.—To boys of the second class—half a share.

When land forces are embarked to serve as marines—they are to share according to their respective ranks as marines.

Secondly.—In the case of prizes captured from the enemy, and all other captures and seizures as aforesaid, made by the officers and men of cutters, schooners, brigs, and other armed vessels of war, commanded by lieutenants, when not in company with other ships commanded by captains or commanders, the said lieutenants to share as captains, and where more small vessels than one shall be together, the lieutenants shall have equal shares of the one-sixth part.

But a lieutenant or lieutenants commanding small vessels, when in company with captains or commanders, shall share only as commanders doing duty as first lieutenants, or first lieutenants of first to fifth rates inclusive, namely,—they shall have fifty-five shares.

The remainder to be shared as in the foregoing scale, with the exception of the clerk in charge, who is to share as purser, but if a ship or vessel bearing a purser be present he is to share only as a clerk.

Thirdly.—In all cases in which supernumeraries, whether officers or men, shall be borne by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, or by other proper authority, they shall share with the respective ranks in which they may be acting: Provided always, and We do hereby direct, that no flag-officer or other person not actually present at the capture or destruction of any piratical vessel, shall be entitled to share in any distribution of the proceeds or bounty in respect of the crews of such piratical ships, vessels, and boats; and also that no flag-officer or other person who shall not have been actually on board of any of Our ships, or ships-of-war, or at the actual taking, sinking, burning, or otherwise destroying any ship or ships-of-war, or privateers, belonging to the enemy, shall be entitled to share in the distribution of any head or bounty-money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel.

Fourthly.—The following regulations are to be established with respect to the share before mentioned, to be given to the flag-officer or officers under whose command the capturing ship may be.

That a captain, commander, or commanding officer of a ship or vessel, shall be deemed to be under the command of a flag when he shall have actually received some order from, or be acting in execution of some order issued by a flag-officer; and in the event of his being directed to join a flag-officer on any station, he shall be deemed to be under the command of that flag-officer from the time when he arrives on board of the station, and shall be deemed to continue under the command of

the flag-officer of such station, until he shall have received some order directly from, or be acting in execution of some order issued by, some other flag-officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being.

That a flag-officer, commander-in-chief, where there is but one flag-officer upon service, shall have to his own use the one-sixteenth part of the proceeds of all prizes captured from the enemy, and of all other captures and seizures as aforesaid, made by ships and vessels under his command, and of the rewards conferred for the same, save and except as hereinbefore provided and directed.

That when ships or vessels under the command of several flags which belong to separate stations, shall happen to be joint captors, each flag-officer under whose orders the ships or vessels are, shall receive such proportion of the flag share to which he shall be entitled according to the number of ships belonging to each respectively.

Captains or commanders, or commanding-officers of such ships or vessels as shall be under orders from the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That if a flag-officer be sent to command in the ports of the United Kingdom, he shall have no share in the prizes captured from the enemy, nor in the other captures or seizures as aforesaid, made by ships or vessels which have sailed, or shall sail, from that port by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, nor in the rewards conferred for the same.

That when more flag-officers than one shall be serving together, the one-sixteenth part of the net proceeds of prizes captured from the enemy, and of the other captures or seizures as aforesaid, made by any ships or vessels of the fleet or squadron, and of the rewards conferred for the same, shall be divided in the following proportions, namely:—

If there be but two flag-officers, the chief shall have two-third parts of the said one-sixteenth, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one-half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

And We do hereby further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And We do hereby further direct, that when such lists shall have been duly examined with

the muster books of such ships or vessels, and lists annexed thereto, in order to see that such lists agree with such muster books, and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging to such ships and vessels, and, upon request, the Accountant-General of Our Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated and appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and seizures, and the rewards conferred for the same, and shall otherwise be aiding and assisting to the said agents in all such matters as shall be necessary.

And We do direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be final and have the same force and effect as if specially provided for in this Our Royal Proclamation.

Provided always, and We do hereby direct, that the distribution hereinbefore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We do hereby, lastly, direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which will be made after that day, and shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said former Proclamation and Order respectively.

Given at Our Court at St. James's, the Nineteenth day of March, one thousand eight hundred and thirty-four, and in the fourth year of our reign.

Fourthly.—The following regulations are to be established with respect to the share before mentioned, to be given to the flag-officer or officers under whose command the capturing ship may be.

That a captain, commander, or commanding officer of a ship or vessel, shall be deemed to be under the command of a flag when he shall have actually received some order from, or be acting in execution of some order issued by a flag-officer; and in the event of his being directed to join a flag-officer on any station, he shall be deemed to be under the command of such flag-officer from the time when he arrives within the limits of the station, and shall be deemed to continue under the command of

the flag-officer of such station, until he shall have received some order directly from, or be acting in execution of some order issued by, some other flag-officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being.

That a flag-officer, commander-in-chief, where there is but one flag-officer upon service, shall have to his own use the one-sixteenth part of the proceeds of all prizes captured from the enemy, and of all other captures and seizures as aforesaid, made by ships and vessels under his command, and of the rewards conferred for the same, save and except as hereinbefore provided and directed.

That when ships or vessels under the command of several flags which belong to separate stations, shall happen to be joint captors, each flag-officer under whose orders the ships or vessels are, shall receive such proportion of the flag share to which he shall be entitled according to the number of ships belonging to each respectively.

Captains or commanders, or commanding-officers of such ships or vessels as shall be under orders from the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That if a flag-officer be sent to command in the ports of the United Kingdom, he shall have no share in the prizes captured from the enemy, nor in the other captures or seizures as aforesaid, made by ships or vessels which have sailed, or shall sail, from that port by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, nor in the rewards conferred for the same.

That when more flag-officers than one shall be serving together, the one-sixteenth part of the net proceeds of prizes captured from the enemy, and of the other captures or seizures as aforesaid, made by any ships or vessels of the fleet or squadron, and of the rewards conferred for the same, shall be divided in the following proportions, namely:—

If there be but two flag-officers, the chief shall have two-third parts of the said one-sixteenth, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one-half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

And We do hereby further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And We do hereby further direct, that when such lists shall have been duly examined with

the muster books of such ships or vessels, and lists annexed thereto, in order to see that such lists agree with such muster books, and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging to such ships and vessels, and, upon request, the Accountant-General of Our Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated and appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and seizures, and the rewards conferred for the same, and shall otherwise be aiding and assisting to the said agents in all such matters as shall be necessary.

And We do direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be final and have the same force and effect as if specially provided for in this Our Royal Proclamation.

Provided always, and We do hereby direct, that the distribution hereinbefore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We do hereby, lastly, direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which will be made after that day, and shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said former Proclamation and Order respectively.

Given at Our Court at St. James's, the Nineteenth day of March, one thousand eight hundred and thirty-four, and in the fourth year of our reign.

Art. 2.—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landsman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from His Majesty's Service, for *wounds or hurts received in Action*, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, according to the bodily injury sustained, and with reference to the length of Service and rating of the party.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have on One Shilling and Sixpence *per diem*; but for less than the foregoing, and not requiring the attendance of another person, on One Shilling and Sixpence *per diem*; if able to support to a small degree to his livelihood,

from Ninepence to One Shilling *per diem*; and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence *per diem*.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances (if any are stated) relating to his conduct at the time he was wounded.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence *per diem*, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than three years at any time.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of *disability* contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence *per diem*; or more than Sixpence, according to the bodily injury sustained by the party.

And in cases under 14 Years service, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension; and in extreme cases of *injury or debility*, resulting from serving in bad climates, or from severe accidents, the temporary Pension may be increased to Ninepence *per diem*, and renewed from time to time for specified periods, so long as the individual shall continue in a state to demand such special consideration.

Art. 6.—In any of the cases in Articles 3, 4, and 5, if any Man shall become *totally blind*, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence *per diem*, in addition to the amount specified in the said Articles.

I, *A. B.*, am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata titineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different

Ships respectively: and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at Carlton House, this Twelfth Day of July, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to give you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.
A PROCLAMATION.

Art. 7.—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the discharge, is to be transmitted to the Admiralty, for their Lordships' consideration; or, if abroad, to the Commander-

Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. Medical Science, and the excitement of an emulation that may conduce to the interests of an important branch of the public service, established a Fund in perpetuity, for the purpose of providing the means of conferring a *gold medal*, once in every two years, on such Two Medical Officers, whether, *Surgeons*, or *Assistant-Surgeons acting as Surgeons*, as shall produce the most approved journals of their practice, whilst actually serving in King's Ships.

The selection of the journals will, in the first instance, be made by the Medical Commissioners of the Victualling Board, on the 15th of August, 1831, and will consist of not more than ten, nor less than five, of those journals delivered into office between the 12th of July, 1827, and the 12th of July, 1831; and the subsequent selections will be made from those delivered within the period of every two succeeding years; and the adjudication of the medals will, during the life of Sir Gilbert Blane, be made by him, and will subsequently be vested in the Senior Medical Commissioner, the President of the College of Physicians, and the President of the College of Surgeons, London.

REGULATIONS FOR GRANTING OUT-PENSIONS FROM GREENWICH HOSPITAL, TO THE WARRANT AND PETTY OFFICERS HEREIN MENTIONED, AND TO SEAMEN AND ROYAL MARINES, ESTABLISHED BY HIS MAJESTY'S ORDER IN COUNCIL OF 24 AUGUST, 1831.

Article 1.—Every Second Master, Assistant-Surgeon (when not entitled to Half-Pay), Gunner, Boatswain, and Carpenter (when not entitled to Superannuation), Mate, Midshipman, Master's Assistant, Schoolmaster, Clerk, and Volunteer of the First or Second Class, who shall be discharged from His Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence, *per diem*, according to the bodily injury sustained by the party.

Art. 2.—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landsman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from His Majesty's Service, for wounds or hurts received in Action, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, according to the bodily injury sustained, and with reference to the length of Service and rating of the party.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings *per diem*; but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence *per diem*; if able to contribute in a small degree to his livelihood,

from Ninepence to One Shilling *per diem*; and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence *per diem*.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances (if any are stated) relating to his conduct at the time he was wounded.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence *per diem*, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than three years at any time.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for sickness or debility contracted in the Service, or for wounds or hurts received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence *per diem*; but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of disability contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence *per diem*; or more than Sixpence, according to the bodily injury sustained by the party.

And in cases under 14 Years service, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension; and in extreme cases of injury or debility, resulting from serving in bad climates, or from severe accidents, the temporary Pension may be increased to Ninepence *per diem*, and renewed from time to time for specified periods, so long as the individual shall continue in a state to demand such special consideration.

Art. 6.—In any of the cases in Articles 3, 4, and 5, if any Man shall become totally blind, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence *per diem*, in addition to the amount specified in the said Articles.

Art. 7.—An Ordinary Seaman shall receive three-fourths, a Landsman two-thirds, and a Boy one-half of the Pensions or Allowances

hereby assigned to an Able Seaman. Private Marines to be considered as Able Seamen.

Art. 8.—The following Petty and Non-Commissioned Officers, in addition to the Rates of

War, be appointed for the assembling of the Pensioners by the Lords Commissioners of the Admiralty, or by neglecting or refusing to serve his Majesty in such manner as to the said Lords Commissioners may seem proper, except when such neglect or omission to appear, or such neglect or refusal to serve, shall be accounted for by reasonable excuse, to be admitted by the said Lords Commissioners.

As a further encouragement to good Men to continue in the Service, and to behave with propriety, His Majesty has been pleased to command, that at the expiration of every three years any of His Majesty's Ships shall be in Commission, the Captain or Commander of such Ship may send to the Admiralty the name or names of any Petty-Officer or Seaman, or Non-Commissioned Officer or Private of Marines, (not exceeding in number one for every hundred of the Crew,) who may be on board such Ship, having served *above twenty-one years*, who shall have behaved invariably well in such Ship, and be in possession of Certificates of good conduct throughout his former service, and be in the Captain's opinion in every respect deserving to be so rewarded; when the Person or Persons so reported by the Captain or Commander shall be paid a Gratuity, in addition to all other allowances, of Fifteen Pounds if a 1st Class Petty-Officer, or Sergeant of Marines, of Seven Pounds if a 2nd Class Petty-Officer, or Corporal of Marines, and of Five Pounds if an Able Seaman, or Private of Marines; but to

time of his application, transmit to the Secretary of the Admiralty, a Certificate of the day of his birth. and immediately on his attaining the age of 12 years he must also transmit a Certificate of his good moral conduct from the Master or person under whom he was last instructed; or if he has used the sea, from the Captain under him whom he last served. No Candidate will be considered eligible, nor will the order for his admission be given in any case, until both Certificates are lodged at the Admiralty.

Every Candidate for admission will be expected to know perfectly the first four rules of arithmetic, Reduction, and the Rule of Three.

He will be expected also to be able to write English from dictation, and to construct English sentences.

And it is recommended that every Candidate should have in his memory the definitions, axioms, and postulates, in the beginning of Euclid's Elements, by R. SIMSON.

The parents or friends of every Student shall pay in to the Office of the Accountant-General of the Navy in London, the amount of the sum that may be due at every vacation, either before the next succeeding meeting of the College, or within one month after such meeting; in default of which the Student's time of servitude will not be allowed to go on.

Every Student, at the end of two years, shall be discharged into one of His Majesty's ships, not being a guard ship; and the time of residence in the College shall be reckoned as not more than one year's service at sea, or as such portion of one year's service at sea as may be proportioned to the progress, which he shall actually have made in his education—the time so allowed to be certified by the Officers appointed to examine the Students on their leaving College; and the remaining five years necessary to qualify the Student for the commission of Lieutenant to be actually passed at sea, or in a sea-going ship.

The parents and guardians of such young gentlemen as may be admitted into the Naval College, are particularly desired to take notice, that, at the expiration of two years, all Students will be discharged from the College, into such of His Majesty's ships and vessels, as the Lords Commissioners of the Admiralty shall think fit; and that when such ships are paid off, those who have attained the rating of Midshipmen will not be re-appointed by their Lordships to other ships, but must apply to Captains or Commanders in Commission for such re-appointment, in order to complete the remainder of their servitude to qualify them for the commission of Lieutenant:—In consequence of which arrangement, no bond will in future be required that such Students shall not be withdrawn or discharged at their own request from the naval service.

Art. 7.—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the late discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships' information; or, if abroad, to the Commander-

in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorize the entry.

Art. 8.—A Return from every Ship, according to the established form, is to be transmitted quarterly to this Office, through the several Commanders-in-Chief, of the Mates, Midshipmen, Admiralty and College Midshipmen, College and First Class Volunteers, and of Masters' Assistants, and Second Class Volunteers (if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be paid off, a similar Return is to be immediately made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

Art. 9.—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief: but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief, without reference to their Lordships.

Art. 10.—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board.

By command of their Lordships,

GEORGE ELLIOT.

MEMORANDUM.

Ships now in commission are not to be allowed any fresh entry of Volunteers into the Service.

By command of their Lordships,

JOHN BARROW.

Fourthly.—The following regulations are to be established with respect to the share before mentioned, to be given to the flag-officer or officers under whose command the capturing ship may be.

That a captain, commander, or commanding officer of a ship or vessel, shall be deemed to be under the command of a flag when he shall have actually received some order from, or be acting in execution of some order issued by a flag-officer; and in the event of his being directed to join a flag-officer on any station, he shall be deemed to be under the command of such flag-officer from the time when he arrives within the limits of the station, and shall be deemed to continue under the command of

the flag-officer of such station, until he shall have received some order directly from, or be acting in execution of some order issued by, some other flag-officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being.

That a flag-officer, commander-in-chief, where there is but one flag-officer upon service, shall have to his own use the one-sixteenth part of the proceeds of all prizes captured from the enemy, and of all other captures and seizures as aforesaid, made by ships and vessels under his command, and of the rewards conferred for the same, save and except as hereinbefore provided and directed.

That when ships or vessels under the command of several flags which belong to separate stations, shall happen to be joint captors, each flag-officer under whose order the ships or vessels are, shall receive such proportion of the flag share to which he shall be entitled according to the number of ships belonging to each respectively.

Captains or commanders, or commanding-officers of such ships or vessels as shall be under orders from the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That if a flag-officer be sent to command in the ports of the United Kingdom, he shall have no share in the prizes captured from the enemy, nor in the other captures or seizures as aforesaid, made by ships or vessels which have sailed, or shall sail, from that port by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, nor in the rewards conferred for the same.

That when more flag-officers than one shall be serving together, the one-sixteenth part of the net proceeds of prizes captured from the enemy, and of the other captures or seizures as aforesaid, made by any ships or vessels of the fleet or squadron, and of the rewards conferred for the same, shall be divided in the following proportions, namely:—

If there be but two flag-officers, the chief shall have two-third parts of the said one-sixteenth, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one-half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

And We do hereby further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And We do hereby further direct, that when such lists shall have been duly examined with

1st Class.—Purser.

Masters.

Surgeons.

2d Class.—Lieutenants at 5s. and under.

3d Class.—Lieutenants at 6s. and 7s. ; and Chaplains.

4th Class.—Admirals.

Captains.

Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Wages-Office, at the Admiralty Office, Somerset-House, or forwarded to the Secretary of the Admiralty, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Arrangements are in progress which it is expected will admit of the payment of Half-Pay always commencing on the tenth day after the end of each quarter, instead of at the uncertain and more distant periods heretofore customary—of which, however, due notice will be given when the next quarter's Half-Pay is advertised.

By command of their Lordships,

JOHN BARROW.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

Article 1.—Every Second Master, Assistant-Surgeon (when not entitled to Half-Pay), Gunner, Boatswain, and Carpenter (when not entitled to Superannuation), Mate, Midshipman, Master's-Assistant, Schoolmaster, Clerk, and Volunteer of the First or Second Class, who shall be discharged from His Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence, *per diem*, according to the bodily injury sustained by the party.

Art. 2.—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landsman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from His Majesty's Service, for wounds or hurts received in Action, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, according to the bodily injury sustained, and with reference to the length of Service and rating of the party.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings *per diem*; but for less injury than the foregoing, and not requiring the care of another person, from One Shilling and Sixpence to One Shilling and Sixpence *per diem*; if able to contribute in a small degree to his livelihood,

from Ninepence to One Shilling *per diem*; and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence *per diem*.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances (if any are stated) relating to his conduct at the time he was wounded.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence *per diem*, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than three years at any time.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for sickness or debility contracted in the Service, or for wounds or hurts received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence *per diem*; but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of disability contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence *per diem*; or more than Sixpence, according to the bodily injury sustained by the party.

And in cases under 14 Years service, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension; and in extreme cases of injury or debility, resulting from serving in bad climates, or from severe accidents, the temporary Pension may be increased to Ninepence *per diem*, and renewed from time to time for specified periods, so long as the individual shall continue in a state to demand such special consideration.

Art. 6.—In any of the cases in Articles 3, 4, and 5, if any Man shall become totally blind, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence *per diem*, in addition to the amount specified in the said Articles.

Admiralty, 15th February, 1830.

The Lords Commissioners of the Admiralty being desirous to extend the benefit of the Marine Surveys which have been made for the use of His Majesty's Navy, more generally among the Mercantile Shipping of the Empire, have appointed Mr. R. B. Bate, 21, Poultry, London, to be their Lordships' agent for the sale of all Charts, Plans, Views, and Sailing Directions, which are published under their Lordships' orders; and he has been directed to employ proper sub-agents at the principal sea-ports for the same purpose.

All corrections, arising from surveys in progress, will be notified to the agent for immediate insertion, so that the Charts and Direc-

tions in his hands will always contain the most recent and authentic information.

Catalogues may be had at the agent's, stating the prices which have been authorised by their Lordships.

Admiralty, 7th May, 1830.

Notice is hereby given to the Medical Officers of the Royal Navy, that Sir Gilbert Blane, Bart., first Physician to his Majesty, and formerly Member of the Board for Sick and Wounded Seamen, with the concurrence and approbation of the Lords Commissioners of the Admiralty, has, for the encouragement of Naval

Medical Science, and the excitement of an emulation that may conduce to the interests of an important branch of the public service, established a Fund in perpetuity, for the purpose of providing the means of conferring a gold medal, once in every two years, on such two Medical Officers, whether, *Surgeons*, or *Assistant-Surgeons acting as Surgeons*, as shall produce the most approved journals of their practice, whilst actually serving in King's Ships.

The selection of the journals will, in the first instance, be made by the Medical Commissioners of the Victualling Board, on the 15th of August, 1831, and will consist of not more than ten, nor less than five, of those journals delivered into office between the 12th of July, 1827, and the 12th of July, 1831; and the subsequent selections will be made from those delivered within the period of every two succeeding years; and the adjudication of the medals will, during the life of Sir Gilbert Blane, be made by him, and will subsequently be vested in the Senior Medical Commissioner, the President of the College of Physicians, and the President of the College of Surgeons, London.

Art. 10.—All Men invalided from His Majesty's Service, whether Pensioners or not, who re-enter the Service, must produce their Invaliding Certificates or Pension Tickets, at the time of their re-entry, to the Captain and Surgeon of the Ship, in order that their cases may be fully known; and if they neglect to do this, or do not assign a sufficient reason for not doing so, they forfeit all claim to an increase of Pension for subsequent service.

War, be appointed for the assembling of the Pensioners by the Lords Commissioners of the Admiralty, or by neglecting or refusing to serve His Majesty in such manner as to the said Lords Commissioners may seem proper, except when such neglect or omission to appear, or such neglect or refusal to serve, shall be accounted for by reasonable excuse, to be admitted by the said Lords Commissioners.

As a further encouragement to good Men to continue in the Service, and to behave with propriety, His Majesty has been pleased to command, that at the expiration of every three years any of His Majesty's Ships shall be in Commission, the Captain or Commander of such Ship may send to the Admiralty the name or names of any Petty-Officer or Seaman, or Non-Commissioned Officer or Private of Marines, (not exceeding in number one for every hundred of the Crew,) who may be on board such Ship, having served *above twenty-one years*, who shall have behaved invariably well in such Ship, and be in possession of Certificates of good conduct throughout his former service, and be in the Captain's opinion in every respect deserving to be so rewarded; when the Person or Persons so reported by the Captain or Commander shall be paid a Gratuity, in addition to all other allowances, of Fifteen Pounds if a 1st Class Petty-Officer, or Sergeant of Marines, of Seven Pounds if a 2nd Class Petty-Officer, or Corporal of Marines, and of Five Pounds if an Able Seaman, or Private of Marines; but to

are to be selected from among the Mates who have passed both examinations, if serving at home, or for seamanship, if serving abroad, one complete year—or from College Midshipmen; such selections to be made by the several Captains and Commanders, and permission for their entry may be applied for to their Lordships in the same manner as with regard to Mates or Midshipmen forming the other part of the complement; and, in failure of such application, the vacancies will be filled up by their Lordships.

Art. 3.—No person is, on any account, to be borne under the denomination of "Admiralty Midshipman," except by their Lordships' special authority; but, in the event of there being more Admiralty or College Midshipmen unemployed than can be provided for under the regulation in the foregoing article, their Lordships will give them appointments as *Extra Midshipmen* (in no case exceeding two in any Ship), to be borne in lieu of an equal number of Seamen, and to be included in the respective complements, as vacancies may occur.

Art. 8.—A Return from every Ship, according to the established form, is to be transmitted quarterly to this Office, through the several Commanders-in-Chief, of the Mates, Midshipmen, Admiralty and College Midshipmen, College and First Class Volunteers, and of Masters' Assistants, and Second Class Volunteers (if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be paid off, a similar Return is to be immediately made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

Art. 9.—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief: but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief, without reference to their Lordships.

Art. 10.—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating; on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board.

REGULATIONS FOR THE ADMISSION OF STUDENTS INTO THE ROYAL NAVAL COLLEGE AT PORTSMOUTH.

The Number of Students in the Royal Naval College is not to exceed One Hundred in time of War, nor Eighty in Peace, of whom one half are to be the Sons of Commissioned Officers of the Navy or Army, and the other half of Civilians.

The Sons of Officers hereafter admitted will be required to pay for Board and Education as follows:—

Of Flag and General Officers.....	80l.
Captains of the Navy, Colonels, and Lieutenant-Colonels.....	70l.
Of Commanders, and all below that rank, and Majors.....	50l.

The Sons of Officers, of whatever rank in either service, who have lost their fathers, 40l. per annum; and the Sons of Officers, of whatever rank, whose fathers have died in actual service, and whose families have been left in pecuniary distress, 20l. per annum.

The Sons of Civilians are to pay the sum of 125l. per annum.

No Candidate shall be eligible for admission to the Naval College, until he has attained the age of 12 years, nor after he has completed that of 18 years.

Every Candidate for admission must, at the

time of his application, transmit to the Secretary of the Admiralty a Certificate of the day of his birth; and immediately on his attaining the age of 12 years he must also transmit a Certificate of his good moral conduct from the Master or person under whom he was last instructed; or if he has used the sea, from the Captain under him whom he last served. No Candidate will be considered eligible, nor will the order for his admission be given in any case, until both Certificates are lodged at the Admiralty.

Every Candidate for admission will be expected to know perfectly the first four rules of arithmetic, Reduction, and the Rule of Three.

He will be expected also to be able to write English from dictation, and to construct English sentences.

And it is recommended that every Candidate should have in his memory the definitions, axioms, and postulates, in the beginning of Euclid's Elements, by R. SIMSON.

The parents or friends of every Student shall pay in to the Office of the Accountant-General of the Navy in London, the amount of the sum that may be due at every vacation, either before the next succeeding meeting of the College, or within one month after such meeting; in default of which the Student's time of servitude will not be allowed to go on.

Every Student, at the end of two years, shall be discharged into one of His Majesty's ships, not being a guard ship; and the time of residence in the College shall be reckoned as not more than one year's service at sea, or as such portion of one year's service at sea as may be proportioned to the progress, which he shall actually have made in his education—the time so allowed to be certified by the Officers appointed to examine the Students on their leaving College; and the remaining five years necessary to qualify the Student for the commission of Lieutenant to be actually passed at sea, or in a sea-going ship.

Any Student, whose conduct shall be such as to render his expulsion from the College necessary, will never be allowed to enter into His Majesty's naval service.

The parents and guardians of such young gentlemen as may be admitted into the Naval College, are particularly desired to take notice, that, at the expiration of two years, all Students will be discharged from the College, into such of His Majesty's ships and vessels, as the Lords Commissioners of the Admiralty shall think fit; and that when such ships are paid off, those who have attained the rating of Midshipmen will not be re-appointed by their Lordships to other ships, but must apply to Captains or Commanders in Commission for such re-appointment, in order to complete the remainder of their servitude to qualify them for the commission of Lieutenant.—In consequence of which arrangement, no bond will in future be required that such Students shall not be withdrawn or discharged at their own request from the naval service.

[illegible]The image is a very blurry, low-resolution scan of a document page. It shows horizontal lines of text and a vertical margin line, but the content is completely illegible due to the quality of the scan. The page appears to have a light-colored background with dark, horizontal bands of text. A vertical line runs down the right side of the page, likely indicating a margin. The overall appearance is that of a poor-quality photocopy or a scan taken from a moving camera.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (stating the date their last letter of leave bore) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

Admiralty, 20th April, 1830.

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,

J. W. CROKER.

Admiralty, 4th January, 1811.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

J. W. CROKER.

Admiralty, 30th September, 1835.

In pursuance of His Majesty's Order in Council, Notice is hereby given, that all Officers of the Royal Navy receiving Half-Pay, are required to annex to the signature of their names, on the Quarterly Half-Pay Declaration, the Place of their residence at the date of each Declaration.

CHARLES WOOD.

Admiralty, 30th September, 1835.

By Order of the Admiralty, after a reasonable lapse of time for the promulgation of the above Notice, no Declaration is to be received which shall not have the Officer's Residence stated thereon, as above directed.

These Declarations for Half-Pay can only be made before the under-mentioned Officers, named in the Act of 1st George I. cap. 25, sec. 9 and 10.

One of the Commissioners or Secretaries of the Admiralty,

Superintendents of the Dock-yards, Victualling and Medical Establishments, or A Justice of the Peace or Magistrate.

Officers residing abroad must make their Declarations before one of his Majesty's Ministers, Secretary of Embassy or Legation, or Consul ; or where there shall be no such Minister, &c., before some Magistrate, or other Person competent to attest Declarations in such Places ; and the Address must be given at the foot of the Signature to the Declaration.

N.B. Declaration taken before Masters Extraordinary in Chancery cannot be admitted : and the Officers should be careful, that any Justice of the Peace or Magistrate of a Town or Corporation, attesting the Declaration, should sign himself as such.

CHARLES WOOD.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which have sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations ; the Commissioned and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1835.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows :—

1st Class.—Pursers.

Masters.

Surgeons.

2d Class.—Lieutenants at 5s. and under.

3d Class.—Lieutenants at 6s. and 7s.; and Chaplains.

4th Class.—Admirals.

Captains.

Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Wages-Office, at the Admiralty Office, Somerset-House, or forwarded to the Secretary of the Admiralty, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Arrangements are in progress which it is expected will admit of the payment of Half-Pay always commencing on the tenth day after the end of each quarter, instead of at the uncertain and more distant periods heretofore customary—of which, however, due notice will be given when the next quarter's Half-Pay is advertised.

By command of their Lordships,

JOHN BARROW.

CHAPLAINS.

Regulations under His Majesty's Order in Council of 31 July, 1835, for the admission of Chaplains into His Majesty's Naval Service:—

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, or who shall not have been graduated at the University of Oxford, Cambridge, or Trinity College, Dublin, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials from two benefited clergymen of his good moral and religious conduct, or who shall not have been examined by some competent person to be appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to His Majesty's service the situation of Chaplain.

CHARLES WOOD.

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years service at sea; that I have not between the day of and the day of been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum.

BY THE KING.

Fourthly.—The following regulations are to be established with respect to the share before mentioned, to be given to the flag-officer or officers under whose command the capturing ship may be.

That a captain, commander, or commanding officer of a ship or vessel, shall be deemed to be under the command of a flag when he shall have actually received some order from, or be acting in execution of some order issued by a flag-officer; and in the event of his being directed to join a flag-officer on any station, he shall be deemed to be under the command of such flag-officer from the time when he arrives within the limits of the station, and shall be deemed to continue under the command of

the flag-officer of such station, until he shall have received some order directly from, or be acting in execution of some order issued by, some other flag-officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being.

That a flag-officer, commander-in-chief, where there is but one flag-officer upon service, shall have to his own use the one-sixteenth part of the proceeds of all prizes captured from the enemy, and of all other captures and seizures as aforesaid, made by ships and vessels under his command, and of the rewards conferred for the same, save and except as hereinbefore provided and directed.

That when ships or vessels under the command of several flags which belong to separate stations, shall happen to be joint captors, each flag-officer under whose orders the ships or vessels are, shall receive such proportion of the flag share to which he shall be entitled according to the number of ships belonging to each respectively.

Captains or commanders, or commanding-officers of such ships or vessels as shall be under orders from the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That if a flag-officer be sent to command in the ports of the United Kingdom, he shall have no share in the prizes captured from the enemy, nor in the other captures or seizures as aforesaid, made by ships or vessels which have sailed, or shall sail, from that port by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, nor in the rewards conferred for the same.

That when more flag-officers than one shall be serving together, the one-sixteenth part of the net proceeds of prizes captured from the enemy, and of the other captures or seizures as aforesaid, made by any ships or vessels of the fleet or squadron, and of the rewards conferred for the same, shall be divided in the following proportions, namely:—

If there be but two flag-officers, the chief shall have two-third parts of the said one-sixteenth, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one-half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

And We do hereby further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And We do hereby further direct, that when such lists shall have been duly examined with

the muster books of such ships or vessels, and lists annexed thereto, in order to see that such lists agree with such muster books, and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging to such ships and vessels, and, upon request, the Accountant-General of Our Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated and appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and seizures, and the rewards conferred for the same, and shall otherwise be aiding and assisting to the said agents in all such matters as shall be necessary.

And We do direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be final and have the same force and effect as if specially provided for in this Our Royal Proclamation.

Provided always, and We do hereby direct, that the distribution hereinbefore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We do hereby, lastly, direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which will be made after that day, and shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said former Proclamation and Order respectively.

Given at Our Court at St. James's, the Nineteenth day of March, one thousand eight hundred and thirty-four, and in the fourth year of our reign.

GOD SAVE THE KING.

Admiralty, 3rd Ju'y, 1837.

His Royal Highness the Lord High Admiral having received a representation from the Governors and Directors of Greenwich Hospital, that many instances have occurred in which the Regulations contained in His Majesty's Proclamation, dated the 12th of July, 1819, in regard to the Freight of Treasure on board His Majesty's Ships, have been either wholly neglected, or only partially complied with, His Royal Highness feels himself under the necessity of bringing to the recollection of all Officers who may be intrusted with the Freight of Treasure, the several provisions of His Majesty's Proclamation aforesaid, and to repeat the General Orders issued by the Lords Com-

missioners of the Admiralty, on the subject of Freight since the promulgation of the said Proclamation.

PROCLAMATIONS RESPECTING THE CONVEYANCE OF PUBLIC AND PRIVATE TREASURE.

By His Royal Highness the Prince of Wales, Regent of the United Kingdom of Great Britain and Ireland, in the Name and on the Behalf of His Majesty.

A PROCLAMATION.

I, *A. B.*, am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different

Ships respectively: and if any Difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

Notice is hereby given to the Medical Officers of the Royal Navy, that Sir Gilbert Blane, Bart., first Physician to his Majesty, and formerly Member of the Board for Sick and Wounded Seamen, with the concurrence and approbation of the Lords Commissioners of the Admiralty, has, for the encouragement of

Medical Science, and the excitement of an emulation that may conduce to the interests of an important branch of the public service, established a Fund in perpetuity, for the purpose of providing the means of conferring a gold medal, once in every two years, on such Two Medical Officers, whether, *Surgeons, or Assistant-Surgeons acting as Surgeons*, as shall produce the most approved journals of their practice, whilst actually serving in King's Ships.

The selection of the journals will, in the first instance, be made by the Medical Commissioners of the Victualling Board, on the 15th of August, 1831, and will consist of not more than ten, nor less than five, of those journals delivered into office between the 15th of July, 1827, and the 15th of July, 1831; and the subsequent selections will be made from those delivered within the period of every two succeeding years; and the adjudication of the medals will, during the life of Sir Gilbert Blane, be made by him, and will subsequently be vested in the Senior Medical Commissioner, the President of the College of Physicians, and the President of the College of Surgeons, London.

GREENWICH OUT PENSIONS.

REGULATIONS FOR GRANTING OUT-PENSIONS FROM GREENWICH HOSPITAL, TO THE WARRANT AND PETTY OFFICERS HEREIN MENTIONED, AND TO SEAMEN AND ROYAL MARINES, ESTABLISHED BY HIS MAJESTY'S ORDER IN COUNCIL OF 24 AUGUST, 1831.

Article 1.—Every Second Master, Assistant-Surgeon (when not entitled to Half-Pay), Gunner, Boatwain, and Carpenter (when not entitled to Superannuation), Mate, Midshipman, Master's Assistant, Schoolmaster, Clerk, and Volunteer of the First or Second Class, who shall be discharged from His Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence, *per diem*, according to the bodily injury sustained by the party.

Art. 2.—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landsman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from His Majesty's Service, for wounds or hurts received in Action, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, according to the bodily injury sustained, and with reference to the length of Service and rating of the party.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some person, shall have from One Shilling and Sixpence to Two Shillings *per diem*; but for the foregoing, and not requiring the attendance of any person, from One Shilling and Sixpence *per diem*; if able to do any small degree to his livelihood,

from Ninepence to One Shilling *per diem*; and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence *per diem*.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances (if any are stated) relating to his conduct at the time he was wounded.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence *per diem*, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than three years at any time.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for sickness or debility contracted in the Service, or for wounds or hurts received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence *per diem*; but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of disability contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence *per diem*; or more than Sixpence, according to the bodily injury sustained by the party.

And in cases under 14 Years service, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension; and in extreme cases of injury or debility, resulting from serving in bad climates, or from severe accidents, the temporary Pension may be increased to Ninepence *per diem*, and renewed from time to time for specified periods, so long as the individual shall continue in a state to demand such special consideration.

Art. 6.—In any of the cases in Articles 2, 4, and 5, if any Man shall become totally blind, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence *per diem*, in addition to the amount specified in the said Articles.

Art. 7.—An Ordinary Seaman shall receive three-fourths, a Landsman two-thirds, and a Boy one-half of the Pensions or Allowances

hereby assigned to an Able Seaman. Private Marines to be considered as Able Seamen.

Art. 8.—The following Petty and Non-Commissioned Officers, in addition to the Rates of

Pension to which they may be entitled under Articles 2, 3, 4, and 6, as Seamen, or Marines, shall be allowed for each Year's Service, as Petty or Non-Commissioned Officer, as follows, viz.:—

War, be appointed for the assembling of the Pensioners by the Lords Commissioners of the Admiralty, or by neglecting or refusing to serve his Majesty in such manner as to the said Lords Commissioners may seem proper, except when such neglect or omission to appear, or such neglect or refusal to serve, shall be accounted for by reasonable excuse, to be admitted by the said Lords Commissioners.

As a further encouragement to good Men to continue in the Service, and to behave with propriety, His Majesty has been pleased to command, that at the expiration of every three years any of His Majesty's Ships shall be in Commission, the Captain or Commander of such Ship may send to the Admiralty the name or names of any Petty-Officer or Seaman, or Non-Commissioned Officer or Private of Marines, (not exceeding in number one for every hundred of the Crew,) who may be on board such Ship, having served above twenty-one years, who shall have behaved invariably well in such Ship, and be in possession of Certificates of good conduct throughout his former service, and be in the Captain's opinion in every respect deserving to be so rewarded; when the Person or Persons so reported by the Captain or Commander shall be paid a Gratuity, in addition to all other allowances, of Fifteen Pounds if a 1st Class Petty-Officer, or Sergeant of Marines, of Seven Pounds if a 2nd Class Petty-Officer, or Corporal of Marines, and of Five Pounds if an Able Seaman, or Private of Marines; but to

Art. 4.—The Widows of Officers (except Chaplains) who marry after the 31st of December, 1830, will only be entitled to the Pensions of their respective Classes in the event of their Husbands having been on the List of Commission or Warrant Officers ten complete years, except the Husband be killed in action, or lose his life in the execution of the Service.

Art. 5.—No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during, or prior to, her Husband's Service in the Navy, and unless her Husband shall have served Three Years in sea-going Ships, or Four Years in Guard-Ships, subsequent to their marriage, or shall, in the whole, have served the length of time to entitle him to his Half-pay.

Art. 6.—No Widow shall be entitled to the Pension who has not been married Twelve Months to the Officer by whose right she claims the same, unless the said Officer was killed or drowned in the Sea Service; but the Lords Commissioners of the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their Marriage, in such cases as they think proper.

Art. 7.—If any Officer shall marry after the Age of Sixty Years, his Widow shall not be entitled to receive the Pension; or, if being capable of Service, he should, at his own solicitation, be excused from it, being at the time warned that his Widow would thereby forfeit the Pension.

Art. 8.—The above Pensions shall not be received by any Widow who shall have any other Pension from the Government.

Art. 9.—Widows who shall re-marry after the

31st December, 1830, shall forfeit their Pensions
Art. 10.—The Pensions of Widows who are re-married, or may re-marry before the 31st of December, 1830, shall be paid to themselves, and their Receipts shall, notwithstanding their Coverture, be deemed a sufficient discharge for the payment of their Pension.

MEMORANDUM.—His Majesty has been graciously pleased to rescind the Memorandum of the 2nd December last, and to direct that any Naval Officer, not being a Commissioned Officer, who may wish to attend His Majesty's Levees, shall be presented only by one of the Lords Commissioners of the Admiralty.

GEORGE ELLIOT.

Admiralty, 31st March, 1831.

MEMORANDUM.—The Lords Commissioners of the Admiralty having permitted the Captains commanding His Majesty's Ships of the Line to nominate *Commanders*, subject to their Lordships' approval, have thought fit to order, that no *Commander* shall hereafter be deemed eligible for an appointment to a ship of the Line, or other ship entitled to bear a *Commander*, unless he shall have served three years in the command of a sea-going Sloop of War, or three years as First Lieutenant of a Rated Ship.

By command of their Lordships,

GEORGE ELLIOT.

REGULATIONS FOR THE ADMISSION OF STUDENTS INTO THE ROYAL NAVAL COLLEGE AT PORTSMOUTH.

The Number of Students in the Royal Naval College is not to exceed One Hundred in time of War, nor Eighty in Peace, of whom one half are to be the Sons of Commissioned Officers of the Navy or Army, and the other half of Civilians.

The Sons of Officers hereafter admitted will be required to pay for Board and Education as follows:—

Of Flag and General Officers	Per annum. 80l.
Captains of the Navy, Colonels, and Lieutenant-Colonels	70l.
Of Commanders, and all below that rank, and Majors.....	50l.

The Sons of Officers, of whatever rank in either service, who have lost their fathers, 40l. per annum; and the Sons of Officers, of whatever rank, whose fathers have died in actual service, and whose families have been left in pecuniary distress, 20l. per annum.

The Sons of Civilians are to pay the sum of 125l. per annum.

No Candidate shall be eligible for admission to the Naval College, until he has attained the age of 12 years, nor after he has completed that of 18 years.

Every Candidate for admission must, at the

time of his application, transmit to the Secretary of the Admiralty a Certificate of the day of his birth: and immediately on his attaining the age of 12 years he must also transmit a Certificate of his good moral conduct from the Master or person under whom he was last instructed; or if he has used the sea, from the Captain under him whom he last served. No Candidate will be considered eligible, nor will the order for his admission be given in any case, until both Certificates are lodged at the Admiralty.

Every Candidate for admission will be expected to know perfectly the first four rules of arithmetic, Reduction, and the Rule of Three.

He will be expected also to be able to write English from dictation, and to construct English sentences.

And it is recommended that every Candidate should have in his memory the definitions, axioms, and postulates, in the beginning of Euclid's Elements, by R. SIMSON.

The parents or friends of every Student shall pay in to the Office of the Accountant-General of the Navy in London, the amount of the sum that may be due at every vacation, either before the next succeeding meeting of the College, or within one month after such meeting; in default of which the Student's time of servitude will not be allowed to go on.

Every Student, at the end of two years, shall be discharged into one of His Majesty's ships, not being a guard ship; and the time of residence in the College shall be reckoned as not more than one year's service at sea, or as such portion of one year's service at sea as may be proportioned to the progress, which he shall actually have made in his education—the time so allowed to be certified by the Officers appointed to examine the Students on their leaving College; and the remaining five years necessary to qualify the Student for the commission of Lieutenant to be actually passed at sea, or in a sea-going ship.

Any Student, whose conduct shall be such as to render his expulsion from the College necessary, will never be allowed to enter into His Majesty's naval service.

The parents and guardians of such young gentlemen as may be admitted into the Naval College, are particularly desired to take notice, that, at the expiration of two years, all Students will be discharged from the College, into such of His Majesty's ships and vessels, as the Lords Commissioners of the Admiralty shall think fit; and that when such ships are paid off, those who have attained the rating of Midshipmen will not be re-appointed by their Lordships to other ships, but must apply to Captains or Commanders in Commission for such re-appointment, in order to complete the remainder of their servitude to qualify them for the commission of Lieutenant:—In consequence of which arrangement, no bond will in future be required that such Students shall not be withdrawn or discharged at their own request from the naval service.

Admiralty, 18th December, 1833.

REGULATIONS FOR THE ENTRY AND RATING OF YOUNG GENTLEMEN AND CAPTAINS' CLERKS, ON BOARD HIS MAJESTY'S SHIPS AND VESSELS ON THE PEACE ESTABLISHMENT.

Art. 2.—The Captains and Commanders of His Majesty's Ships and Vessels are to select and enter the established number of Mates and Midshipmen, on the first commissioning of their respective Ships or Vessels, as heretofore, obtaining the previous approval of the Lords Commissioners of the Admiralty, and observing that in the several Rates, the following numbers, viz.

2d Rates	8
3d Rates	5
4th, 5th, and 6th Rates	4
Sloops	1
Cutters, Gun-Brigs, &c.	1
Guard Ships	4

are to be selected from among the Mates who have passed both examinations, if serving at home, or for seamanship, if serving abroad, one complete year—or from College Midshipmen; such selections to be made by the several Captains and Commanders, and permission for their entry may be applied for to their Lordships in the same manner as with regard to Mates or Midshipmen forming the other part of the complement; and, in failure of such application, the vacancies will be filled up by their Lordships.

Art. 3.—No person is, on any account, to be borne under the denomination of "Admiralty Midshipman," except by their Lordships' special authority: but, in the event of there being more Admiralty or College Midshipmen unemployed than can be provided for under the regulation in the foregoing article, their Lordships will give them appointments as *Extra Midshipmen* (in no case exceeding two in any Ship), to be borne in lieu of an equal number of Seamen, and to be included in the respective complements, as vacancies may occur.

Art. 4.—The numbers of Volunteers of the 1st Class, and of College Volunteers, in each Rate, are in future to be as follows: and the former may be appointed by the Captains and Commanders of His Majesty's Ships, on obtaining the approbation of the Lords Commissioners of the Admiralty.

	1st Class.	Coll.
1st and 2d Rates, Sea-going Ships	3	6
3d Rates	2	5
4th and 5th Rates	2	4
6th Rates and Sloops with 115 men	1	3
Guard Ships	8	8
10-Gun Brigs	0	1

Art. 5.—Volunteers of the 1st Class, and Young Gentlemen educated at the Royal Naval College, are not to be rated as Midshipmen until they shall have completed two years' service at sea.

Art. 6.—In cases where 1st Class and College Volunteers who are borne in the complement may have completed *four years' servitude*, including their College time, and where there are no vacancies for rating them as Midshipmen in the complements, *they may be rated and borne as Extra Midshipmen* (provided the number shall not exceed two in any ship), until vacancies occur for them in the complement of Midshipmen: but their vacancies are not to be filled up in the Volunteers' Class so long as they remain Extra Midshipmen.

Art. 7.—In cases of re-admission to the Service, statement of the date of the original entry into the Service, and of the cause of the discharge, is to be transmitted to the Admiralty, for their Lordships' consideration, or, if abroad, to the Commander-

in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorize the entry.

Art. 8.—A Return from every Ship, according to the established form, is to be transmitted quarterly to this Office, through the several Commanders-in-Chief, of the Mates, Midshipmen, Admiralty and College Midshipmen, College and First Class Volunteers, and of Masters' Assistants, and Second Class Volunteers (if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said Classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be paid off, a similar Return is to be immediately made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

Art. 9.—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief: but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief, without reference to their Lordships.

Art. 10.—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board.

By command of their Lordships,

GEORGE ELLIOT.

MEMORANDUM.

Admiralty, 11th Oct. 1834.

It is the direction of my Lords Commissioners of the Admiralty that in each of His Majesty's Ships, commissioned after the date hereof, bearing in their complements one or more Volunteers of the First Class, *only one fresh entry into the Service* shall be made: but the remainder shall be selected, where there are more than one, by the respective Captains or Commanding Officers, from Young Gentlemen who have already been in the Service, and submitted for the approbation of their Lordships.

Ships now in commission are not to be allowed any fresh entry of Volunteers into the Service.

By command of their Lordships,

JOHN BARROW.
